

Things to Complete During call (Rider)

When call comes while riding towards scene:

- Login to iPad and put every person on call
- Start to write location and pt age and chief complaint on writing pad

Once arrive on scene

- Take writing pad **not** iPad with you
- Note everything down while EMT talks to pt, will help you write narrative in detail
- Take picture of pt's ID, Insurance card and additional documents if in (Atria or Special Children School)

While enroute to hospital

- Note down pt vitals
- Note down all pt info in **PATIENT SECTION** of **ESO** [Vitals, age, address, phone number] while EMT takes care of pt this helps EMT to make call to hospital and tell pt info.

Once at Hospital

- Take iPad with you **not** writing pad in hospital
- Take pt's signature [if not take from person with pt]
- Take signature from Nurse

Once you leave Hospital

- Complete rest of PCR later, when reach at building ask EMT to sign PCR so its easy for you.

All the best!
